

LAFAYETTE

Harold Wightman is laid up at his home here for a few days, the victim of a motor-cycle accident which occurred in Wadsworth Saturday. He had only started to his work, with his motor going at full speed when his machine struck some object in the road with such force as to throw him forward, over the wheel, his head striking the stone pavement. He was picked up unconscious, but later revived enough to be brought home. Except for a badly bruised face, he seems now none the worse for his accident.

Mrs. Blaine Kulp is spending the week with her sister, Mrs. Herman Elliott of Berlin Heights.

The ice cream social of Friday evening netted the Intermediate class \$16, which is to be applied on the new piano in the Sunday school. Mrs. Ansel Mann held the lucky number on the comforter.

Rev. Williams of Chatham will have charge of the services at the M. E. church Sunday at the usual hour, 8 o'clock; Sunday school at 2.

Mr. P. J. Warner moved his family to Homer, Wednesday, where he has accepted the position of superintendent of the Public Schools there, receiving the very neat salary of \$225 a month. Mr. Warner is well qualified to fill such a position, having a college diploma, a life certificate and several years of teaching to back him. On every hand, both in church and social circles, and as neighbors, this family will be missed and it is to Homer's credit that they are becoming a part of her community.

Mr. Curtis of Lagrange has already moved onto the Warner farm, which he rented recently.

BUSINESS COLLEGE HAS TOP MARK ENROLLMENT

LARGEST CLASS IN HISTORY OF SCHOOL BEGINS WORK THIS WEEK.

The Oberlin Business College opened for the fall term on Tuesday of this week with the largest attendance in the history of the school. Students are enrolled from a number of states. The school work began on Wednesday, Monday and Tuesday being given over to enrollment. The school has been steadily growing in attendance for years and plans are now under way for the building of an addition to the present commodious quarters to take care of the growth in attendance. The merit of the school is recognized in the business world in Ohio and surrounding states, a reputation built up by President Henderson and his associates by years of conscientious service for young men and women seeking a modern business education.—Oberlin (O.)
